Attachment to Form 8937-Part II

Report of Organizational Actions Affecting Basis of Securities (The Arrangement)

Consult your tax advisor: The information contained herein is being provided pursuant to the requirements of Section 6045B of the Internal Revenue Code of 1986, as amended (the "Code"), and includes a general summary regarding the application of certain U.S. federal income tax laws and regulations relating to the effects of the Arrangement (as defined below) on the tax basis of shares in B2Gold Corp., a corporation formed under the laws of the Province of British Columbia, Canada ("B2Gold"), in the hands of holders of shares of B2Gold stock who are U.S. taxpayers and who received such shares of B2Gold stock pursuant to the Arrangement (as defined below) by reason of previously being holders of shares of stock of Sabina Gold & Silver Corp., a corporation formed under the laws of the Province of British Columbia, Canada ("Sabina") ("U.S. Shareholders"). This discussion does not constitute tax advice and does not purport to be complete or to describe the consequences that may apply to particular categories of shareholders. Neither B2Gold nor Sabina provides tax advice to its shareholders. You are urged to consult your own tax advisors regarding the particular consequences of the Arrangement to you, including the applicability and effect of all U.S. federal, state and local tax laws and foreign tax laws.

This Form 8937 and the analysis contained herein also does not address the U.S. federal, state, local or foreign tax consequences of the Arrangement applicable to holders of options, warrants, or other convertible securities of Sabina. Holders of such options, warrants or other convertible securities should consult their own tax advisors regarding the tax consequences of the Arrangement to them in light of their own personal circumstances.

For additional information, please read the Management Information Circular of Sabina dated as of March 10, 2023 (the "Circular"), which is available at www.sedar.com.

Part II Item 14. (Description of organizational action)

On April 19, 2023, pursuant to a business combination agreement by and among the parties (the "Agreement"), B2Gold acquired all of the issued and outstanding shares of Sabina (the "Sabina Shares"), after which Sabina became a wholly-owned subsidiary of B2Gold (the "Share Exchange"). Immediately following the Share Exchange, 1400437 B.C. Ltd., a corporation formed under the laws of the Province of British Columbia, Canada and a wholly-owned subsidiary of B2Gold ("Subco"), and Sabina amalgamated (the entity formed upon the amalgamation of Subco and Sabina, "Amalco") (the "Amalgamation", and together with the Share Exchange, the "Arrangement"). Pursuant to the Arrangement, each shareholder of Sabina received 0.3867 of a common share of B2Gold (the "B2Gold Shares") in exchange for each Sabina Share exchanged therefor pursuant to the Arrangement. No fractional B2Gold Shares

were issued pursuant to the Arrangement, with any fractional shares rounded down to the nearest whole number.

The following summary assumes that the Arrangement is treated as a single integrated transaction for U.S. federal income tax purposes qualifying as a tax-deferred reorganization under Code Section 368(a).

U.S. Shareholders should review the Circular and consult with their own tax advisors regarding the tax consequences of the Arrangement to them in light of their particular circumstances.

Part II Item 15. (Description of the quantitative effect of the organizational action on the basis of the security in the hands of a U.S. taxpayer)

B2Gold intends that the Arrangement constitute a single integrated transaction for U.S. federal income tax purposes qualifying as a tax-deferred reorganization within the meaning of Code Section 368(a), but provides no assurances in this regard. Provided the Arrangement constitutes a single integrated transaction qualifying as a tax-deferred reorganization under Code Section 368(a), each U.S. Shareholder should have a tax basis in the B2Gold Shares received pursuant to the Arrangement equal to such U.S. Shareholder's adjusted tax basis in his, her, or its Sabina Shares surrendered in exchange therefor pursuant to the Arrangement.

If a U.S. Shareholder held different blocks of Sabina stock (i.e., shares acquired at different times or different prices) at the time of the Arrangement, such shareholder should consult its own tax advisor with respect to the determination of the tax bases of particular shares of B2Gold stock received in the Arrangement.

If Sabina was a passive foreign investment Company ("PFIC"), as defined under Code Section 1297, for any tax year during which a U.S Shareholder held its Sabina Shares, certain special PFIC rules may apply to the Arrangement. U.S. Shareholders should review the Circular and consult with their own tax advisors regarding the potential application of the PFIC rules.

Part II Item 16. (Description of the calculation of the change in basis)

In the event the Arrangement is taxable for U.S. federal income tax purposes, for purposes of calculating fair market value, the fair market value of a B2Gold Share on April 19, 2023 is estimated at U.S.\$4.07, which was the opening price for a B2Gold Share on the Toronto Stock Exchange on April 19, 2023 (as converted to U.S. dollars using the daily exchange rate published by the Bank of Canada on April 19, 2023).

Each U.S. Shareholder should consult with his, her or its own tax advisors to determine whether they are required to recognize gain in connection with the Arrangement and what measure of fair market value is appropriate.

Part II Item 17. (List of applicable Code sections)

B2Gold intends that the Arrangement constitute a single integrated transaction qualifying as a tax-deferred reorganization within the meaning of Code Section 368(a), but provides no assurances in this regard.

Provided the Arrangement constitutes a single integrated transaction qualifying as a tax-deferred reorganization within the meaning of Code Section 368(a), the U.S. federal income tax consequences for U.S. Shareholders should be determined under Code Sections 354, 358, 368, and 1223.

In addition, if Sabina was a PFIC at any time during the period that a U.S. Shareholder held B2Gold Shares, then Code Sections 1291-1297 would be applicable.

Part II Item 18. (Recognition of loss)

B2Gold intends that the Arrangement constitute a single integrated transaction qualifying as a tax-deferred reorganization within the meaning of Code Section 368(a), but provides no assurances in this regard.

Provided the Arrangement constitutes a single integrated transaction qualifying as a tax-deferred reorganization within the meaning of Code Section 368(a), each U.S. Shareholder which received B2Gold Shares pursuant to the Arrangement should not recognize any loss.

Part II Item 19. (Other information)

The Arrangement was effective on April 19, 2023. For a U.S. Shareholder which participated in the Arrangement whose taxable year is a calendar year, the reportable tax year is 2023.
